

Pedal power hills

Eye-popping green in Bali, cycle tours across the roof of the world in India and some startling rude language in Singapore.

Singapore? WTF! Who said that?

Need to get it out of your system? Head to Singapore for a 'WTF' experience at Naumi Hotel (right next to the venerable Raffles). In Singapore's no-gum parlance, this translates as 'Wine, Travel, & Food'. Book a two day one

night stay in a Habitat Room and get a complimentary upgrade to an Oasis Room with set dinner for two at Table by Rang Mahal and late checkout at 3pm. Enjoy complimentary breakfast in-room or poolside and extend your stay at 10 percent off the Best Available Rate (BAR). The offer is valid until 30 June, 2014.
